Re: *Estate of Mark Vasquez Pajas, Sr., etc. v. County of Monterey, et al.*
Case No.: 16-cv-0945 LHK
Discovery Dispute Between Plaintiffs and CFMG Defendants

Dear Judge van Keulen:

After being arrested and fully medically evaluated at Natividad Medical Center in Salinas, California and medically cleared for jail, Mark Pajas, Sr. was admitted to the Monterey County Jail at 7:00 p.m. on January 19, 2015, and placed on an opiate detox protocol because he was a regular heroin user. Nineteen hours later, Pajas died of a heart attack. He sues the County of Monterey and CFMG for alleged deliberate indifference to his serious medical needs.

On December 14, 2016, defendant, California Forensic Medical Group, Inc. ("CFMG") served responses and objections to Plaintiff, Estate of Mark Vasquez Pajas, Sr.'s Request for Production of Documents, Set One. The responses included reference to documents previously produced, including plaintiffs' decedent's complete medical file and the CFMG policies and procedures manual. CFMG objected primarily on relevancy and privacy grounds to the requests for documents related to all "in-custody deaths of inmates" at the subject Monterey County Jail, as well as all other jails where CFMG operates, CFMG contracts with other jails and personnel files of CFMG employees involved with the medical care given to plaintiffs' decedent. Although CFMG agreed to produce additional documents, actual production was delayed due to the holidays and medical issues of a key employee.

On December 28, 2016, plaintiffs' counsel wrote to CFMG's counsel a "meet-and-confer" letter requesting production of the balance of the documents which CFMG agreed to produce, but had not yet produced (Request Nos. 1-13, 19, 20, 41, 42, 43, 47, and 49 and similarly Request Nos. 14, 16, 17, 18, 21-34, 38, 39, and 48) and requesting CFMG to state whether it made a reasonable inquiry and exercised due diligence in attempting to locate the requested documents.

The meet-and-confer letter also generally discussed Request Nos. 15, 35, 36, 37, 39, 40, 45, and 46 to which CFMG objected primarily on the grounds of relevancy. Request No. 15 requested copies of all contracts maintained by CFMG with other jails from January 1, 2012 to the present. Request Nos. 35 and 36 sought documents related to deaths of inmates who were experiencing opiate, alcohol, and/or benzodiazepine, and/or detoxification at the Monterey County Jail and other jails CFMG services prior to January 19, 2015. Request No. 37 sought documents related to quality assurance assessments in connection with any such deaths at any

California jails where CFMG provides healthcare services. CFMG objected to these requests on the grounds that they were overbroad, oppressive, burdensome, called for attorney-client privileged material and violated the privacy rights of other inmates under HIPAA. Request Nos. 39 and 40 requested documents related to settlements entered into by CFMG related to “inmate deaths” and any complaints related to “inmate deaths” in California jails at which CFMG operates. CFMG responded with a similar objection.

On January 11, 2017, CFMG produced additional documents relating to CFMG’s contract with Monterey County. On January 12, 2017, CFMG’s counsel personally advised plaintiffs’ counsel that he was continuing to research the issues presented and that he was at that time unable to provide the plaintiffs with CFMG’s portion of a joint statement and asked to speak to plaintiffs’ counsel the following day. The following day, January 13, 2017, CFMG’s counsel called plaintiffs’ counsel and advised her that CFMG was still attempting to “meet-and-confer” and to comply with the demands in the December 28, 2016 meet-and-confer letter but needed more time to complete research on the issues and to compile all of the non-objected to documents.

On January 17, 2017, CFMG served its Supplemental Responses to Plaintiffs’ Request for Production of Documents, Set One (Exhibit A). On January 19, 2017, CFMG served its Second Supplemental Response providing additional documents (a total of 1,245 pages) (Exhibit B.) In a further effort to resolve these issues, defense counsel wrote to plaintiffs’ counsel on January 19, 2017, addressing the issues raised in her December 28, 2016 letter (Exhibit C.) The letter pointed out that defendant had served a Supplemental Response to the discovery requests and that it appeared that the only outstanding issues were with the breadth of Request Nos. 15, 28, 35, 36, 37, 38, 39 and 40. Request No. 15 sought production of all contracts CFMG has with any counties other than the County of Monterey. Defendant has produced its contract with the County of Monterey. However, plaintiffs have never offered any case law or argument supporting their position that contracts relating to other facilities are at all relevant or discoverable in this action. Similarly, the balance of the requests have been objected to on the basis that they seek information relating to “deaths of inmates at California jails at which CFMG provided healthcare services.” These requests are overbroad. However, CFMG agreed to further respond to the requests if plaintiffs would agree to restrict them to documents related to deaths of inmates who were experiencing opiate withdrawal and/or detoxification at California jails from January, 2010 through January 19, 2015. Plaintiffs have never responded to this offer. Furthermore, the January 19, 2017 letter offered a 30(b)(6) witness and requested plaintiffs to indicate when they would like to take the deposition. Plaintiffs have never responded to this request either and the deposition to date remains unscheduled for that reason.

Defendant responds to plaintiffs' issues as follows:

1. Defendant has produced all outstanding unobjected to documents on January 17, 2017 and January 19, 2017;
2. A privilege log is unnecessary as no otherwise unobjected to documents are being withheld on the grounds of privilege;
3. Amended responses were served January 17th and 19, 2017;
4. Defendant did respond to plaintiffs' December 28, 2016 meet-and-confer letter on January 19, 2017;
5. Although defendant never agreed to conduct the extensive ESI search reflected in plaintiffs' counsel's December 28, 2016 letter, which was also never discussed, defendant has stated that it has made a reasonable and diligent effort to locate the requested documents in its responses;
6. In its January 19, 2017 letter, defendant did identify a 30(b)(6) witness and asked plaintiffs' counsel when she would like to set the deposition. The ball is in plaintiffs' court;
7. Sanctions are not appropriate.

Defendants have not stonewalled plaintiffs in discovery. Although CFMG has been involved in other cases in this court regarding its treatment of patients at the Monterey County Jail, defendants' current counsel has only recently been representing CFMG in these cases and any delay in responding to plaintiffs' December 28, 2016 meet-and-confer letter for three weeks in order to research the issues and come up to speed on the reasonableness of plaintiffs' very broad discovery requests, is not unreasonable. CFMG is attempting to work with plaintiffs and is waiting for plaintiffs to respond to its January 19, 2017 meet-and-confer letter so that the balance of these issues can be resolved.

Respectfully submitted,

ALAN L. MARTINI

1 Defendant California Forensic Medical Group, Inc. ("CFMG") provides supplemental
2 responses to Plaintiff Estate of Mark Vasquez Pajas, Sr.'s Request for Production of Documents, Set
3 One, by stating as follows:

4 **PRELIMINARY STATEMENT**

5 1. CFMG has not completed its investigation of the facts relating to this case, and has
6 not completed its discovery in this action. Accordingly, all the responses contained herein are based
7 only upon such information and documents which are currently available and specifically known to
8 CFMG and disclose only those contentions which currently occur to CFMG. It is anticipated that
9 further independent investigation, discovery, legal research and analysis will supply additional facts,
10 add meaning to the known facts, and establish entirely new factual conclusions and legal contentions,
11 all of which may lead to substantial additions to, changes in and variations from the contentions
12 herein set forth.

13 2. The following responses are given without prejudice to CFMG's right to introduce
14 evidence of any subsequently discovered fact, witness or documents which CFMG becomes aware
15 of. CFMG accordingly reserves the right to change any and all responses herein as additional facts
16 are ascertained, analyses are made, legal research is completed, and contentions are made. The
17 answers and objections contained herein are made in a good faith effort to supply as much factual
18 information and as much specification of legal contentions as is presently known which should in no
19 way be the prejudice of CFMG in relation to future discovery, research or analysis.

20 3. Defendant CFMG's investigation and development of all facts and circumstances
21 relating to this action is ongoing. These responses and objections are made without prejudice to, and
22 are not a waiver of, CFMG's right to rely on other facts or documents at trial.

23 4. By making the accompanying responses and these objections to Plaintiff ESTATE OF
24 MARK VASQUEZ PAJAS, SR.'s request for production, CFMG does not waive, and hereby
25 expressly reserves, its right to assert any and all objections as to the admissibility of such responses
26 into evidence in this action, or in any other proceedings, on any and all grounds including, but not
27 limited to, competency, relevancy, materiality, and privilege. Further CFMG makes the responses
28 and objections herein without in any way implying that it considers the requests or responses thereto

to be relevant or materials to the subject matter of this action.

5. CFMG will produce responsive documents only to the extent that such documents are in the possession, custody, or control of CFMG, as set forth in the Federal Rules of Civil Procedure. CFMG's possession, custody or control does not include any constructive possession that may be conferred by CFMG's right or power to compel the production of documents from third parties or to request their production from other entities.

6. CFMG expressly reserves the right to supplement, clarify, revise, or correct any or all of the responses and objections herein, and to assert additional objections or privileges, in one or more subsequent supplemental response(s).

7. CFMG will make available for inspection at CFMG's offices responsive documents and things. Alternatively, CFMG will produce copies of the documents.

8. Publicly available documents including, but not limited to, newspaper clippings, court papers, and documents available on the Internet, will not be produced.

GENERAL OBJECTIONS

1. CFMG objects to each instruction, definition, and document request to the extent that it purports to impose any requirement or discovery obligation greater than or different from those under the Federal Rules of Civil Procedure and the applicable Rules and Orders of the Court.

2. CFMG submits these responses and objections without conceding the relevancy or materiality of the subject matter of any request or of any document, or that any responsive materials exist.

3. CFMG likewise does not waive the right to object, on any and all grounds, to (1) the evidentiary use of documents produced in response to these requests; and (2) discovery requests relation to those documents.

4. The responses and objections contained herein are made on the basis of information now known to CFMG and are made without waiving any further objections to or admitting the relevancy or materiality of any of the information requested. CFMG's investigation, discovery and preparation for proceedings are continuing and all answers are given without prejudice to CFMG's right to introduce or object to the discovery of any documents, facts or information discovered after

1 the date thereof.

2 5. CFMG will provide its responses based on terms as they are commonly understood,
3 and consistent with the Federal Rules of Civil Procedure. CFMG objects to and will refrain from
4 extending or modifying any words employed in the requests to comport with expanded definitions or
5 instructions.

6 6. CFMG objects to each document request that is overly broad, unduly burdensome, or
7 not reasonably calculated to lead to the discovery of admissible evidence.

8 7. CFMG objects to each definition, instruction, and document request, to the extent that
9 it seeks documents protected from disclosure by the attorney-client privilege, deliberative process
10 privilege, the attorney work product doctrine, or any other applicable privilege. Should any such
11 disclosure by CFMG occur, it is inadvertent and shall not constitute a waiver of any privilege.

12 8. To the extent any of Plaintiff ESTATE OF MARK VASQUEZ PAJAS, SR.
13 document requests seek documents that include expert material, CFMG objects to any such requests
14 as premature and expressly reserves the right to supplement, clarify, revise, or correct any or all
15 responses to such requests, and to assert additional objections or privileges, in one or more
16 subsequent supplemental response(s) in accordance with the time period for exchanging expert
17 reports as determined by the Court. CFMG incorporates by reference every general objection set
18 forth above into each specific response set forth below. A specific response may repeat a general
19 objection for emphasis or some other reason. The failure to include any general objection in any
20 specific response does not waive any general objection to that request. Moreover, CFMG does not
21 waive its right to amend its response.

PROPOUNDING PARTY: Plaintiff, ESTATE OF MARK VASQUEZ PAJAS, SR.

RESPONDING PARTY: Defendant CALIFORNIA FORENSIC MEDICAL GROUP

SET NUMBER: One

1 Defendant California Forensic Medical Group, Inc. ("CFMG") provides Second
2 Supplemental Responses to Plaintiff Estate of Mark Vasquez Pajas, Sr.'s Request for Production of
3 Documents, Set One, by stating as follows:

4 **PRELIMINARY STATEMENT**

5 1. CFMG has not completed its investigation of the facts relating to this case, and has
6 not completed its discovery in this action. Accordingly, all the responses contained herein are based
7 only upon such information and documents which are currently available and specifically known to
8 CFMG and disclose only those contentions which currently occur to CFMG. It is anticipated that
9 further independent investigation, discovery, legal research and analysis will supply additional facts,
10 add meaning to the known facts, and establish entirely new factual conclusions and legal contentions,
11 all of which may lead to substantial additions to, changes in and variations from the contentions
12 herein set forth.

13 2. The following responses are given without prejudice to CFMG's right to introduce
14 evidence of any subsequently discovered fact, witness or documents which CFMG becomes aware
15 of. CFMG accordingly reserves the right to change any and all responses herein as additional facts
16 are ascertained, analyses are made, legal research is completed, and contentions are made. The
17 answers and objections contained herein are made in a good faith effort to supply as much factual
18 information and as much specification of legal contentions as is presently known which should in no
19 way be the prejudice of CFMG in relation to future discovery, research or analysis.

20 3. Defendant CFMG's investigation and development of all facts and circumstances
21 relating to this action is ongoing. These responses and objections are made without prejudice to, and
22 are not a waiver of, CFMG's right to rely on other facts or documents at trial.

23 4. By making the accompanying responses and these objections to Plaintiff ESTATE OF
24 MARK VASQUEZ PAJAS, SR.'s request for production, CFMG does not waive, and hereby
25 expressly reserves, its right to assert any and all objections as to the admissibility of such responses
26 into evidence in this action, or in any other proceedings, on any and all grounds including, but not
27 limited to, competency, relevancy, materiality, and privilege. Further CFMG makes the responses
28 and objections herein without in any way implying that it considers the requests or responses thereto

to be relevant or materials to the subject matter of this action.

5. CFMG will produce responsive documents only to the extent that such documents are in the possession, custody, or control of CFMG, as set forth in the Federal Rules of Civil Procedure. CFMG's possession, custody or control does not include any constructive possession that may be conferred by CFMG's right or power to compel the production of documents from third parties or to request their production from other entities.

6. CFMG expressly reserves the right to supplement, clarify, revise, or correct any or all of the responses and objections herein, and to assert additional objections or privileges, in one or more subsequent supplemental response(s).

7. CFMG will make available for inspection at CFMG's offices responsive documents and things. Alternatively, CFMG will produce copies of the documents.

8. Publicly available documents including, but not limited to, newspaper clippings, court papers, and documents available on the Internet, will not be produced.

GENERAL OBJECTIONS

1. CFMG objects to each instruction, definition, and document request to the extent that it purports to impose any requirement or discovery obligation greater than or different from those under the Federal Rules of Civil Procedure and the applicable Rules and Orders of the Court.

2. CFMG submits these responses and objections without conceding the relevancy or materiality of the subject matter of any request or of any document, or that any responsive materials exist.

3. CFMG likewise does not waive the right to object, on any and all grounds, to (1) the evidentiary use of documents produced in response to these requests; and (2) discovery requests relation to those documents.

4. The responses and objections contained herein are made on the basis of information now known to CFMG and are made without waiving any further objections to or admitting the relevancy or materiality of any of the information requested. CFMG's investigation, discovery and preparation for proceedings are continuing and all answers are given without prejudice to CFMG's right to introduce or object to the discovery of any documents, facts or information discovered after

1 the date thereof.

2 5. CFMG will provide its responses based on terms as they are commonly understood,
3 and consistent with the Federal Rules of Civil Procedure. CFMG objects to and will refrain from
4 extending or modifying any words employed in the requests to comport with expanded definitions or
5 instructions.

6 6. CFMG objects to each document request that is overly broad, unduly burdensome, or
7 not reasonably calculated to lead to the discovery of admissible evidence.

8 7. CFMG objects to each definition, instruction, and document request, to the extent that
9 it seeks documents protected from disclosure by the attorney-client privilege, deliberative process
10 privilege, the attorney work product doctrine, or any other applicable privilege. Should any such
11 disclosure by CFMG occur, it is inadvertent and shall not constitute a waiver of any privilege.

12 8. To the extent any of Plaintiff ESTATE OF MARK VASQUEZ PAJAS, SR.
13 document requests seek documents that include expert material, CFMG objects to any such requests
14 as premature and expressly reserves the right to supplement, clarify, revise, or correct any or all
15 responses to such requests, and to assert additional objections or privileges, in one or more
16 subsequent supplemental response(s) in accordance with the time period for exchanging expert
17 reports as determined by the Court. CFMG incorporates by reference every general objection set
18 forth above into each specific response set forth below. A specific response may repeat a general
19 objection for emphasis or some other reason. The failure to include any general objection in any
20 specific response does not waive any general objection to that request. Moreover, CFMG does not
21 waive its right to amend its response.

Re: Estate of Mark Vasquez Pajas, Sr., et al. v. County of Monterey, et al.
Case No.: 16-cv-0945-LHK

Dear Ms. Panuco:

I am responding to your December 28, 2016, letter regarding the outstanding discovery responses in the above-entitled matter. To begin with, although my client has now fully responded to the requests for production, and we have produced 1245 pages of documents, I apologize for the delay. As you know, my firm is new in handling these cases on behalf of CFMG and part of the delay was attributed to my own learning curve and "getting up to speed" on the issues presented by these cases. Providing responses required me to come up to speed on many of the discovery issues, including the discoverability of personnel files, quality assurance materials, other complaints and other incidents and the other issues unique to this type of civil rights litigation. My efforts to comply were also complicated by the fact that one of the major personnel responsible for maintaining many of the records requested had surgery and was in the hospital and continues to be unavailable to assist. That said, and reiterating my apologies, I will respond to your letter.

Request Nos. 1-13, 19, 20, 41, 42, 43, 47, 49: CFMG has now fully responded to these requests to the best of its ability. The Supplemental Response so states.

Request Nos. 14, 16, 17, 18, 21-34, 38, 39, 48: With regard to these requests, CFMG has also responded in full with the exception of Nos. 28, 38 and 39. It is my understanding that there were reports produced in the connection with the *Hernandez* case that may be responsive to No. 28. I am attempting to determine whether or not these reports were confidential or privileged and whether it is okay to provide these reports to you. Incidentally, since your firm was involved in the *Hernandez* case, you already have these reports.

With regard to Nos. 38 and 39, the requests are too broad insofar as they request information relating to "deaths of inmates at California jails at which CFMG provided health

ATTORNEYS AT LAW
SHEUERMAN, MARTINI, TABARI,
ZENERE & GARVIN
A PROFESSIONAL CORPORATION

Cindy Panuco
January 19, 2017
Page 2

care services." These requests are overbroad. CFMG would agree to respond to the request Nos. 38 and 39 if they are restricted to documents related to deaths of inmates who were experiencing opiate withdrawal and/or detoxification at California jails from January 1, 2010 through January 19, 2015.

Privilege Claims and Withheld Documents: CFMG is not claiming privilege with regard to Request No. 15. With regard to Request Nos. 35, 36 and 37, the only privileged/confidential information would be the identifying characteristics of the individual inmates. However, since there are no responsive documents, the issue is moot.

With regard to Request No. 15, CFMG has provided you its contract with the County of Monterey. However, its contracts with other counties and entities, in addition to not being relevant to this lawsuit, constitute confidential, proprietary documents relating to CFMG's business, not at all related to its provision of medical services at the Monterey County Jail.

With regard to Request Nos. 39 and 40, as indicated previously CFMG will agree to respond if you agree to narrow the requests as discussed above.

With regard to Request Nos. 45 and 46, as I indicated, we have redacted personal, financial and health related information from nurse Kaupp's personnel file, which was otherwise produced to you.

ESI: As indicated in the responses, CFMG, and its employees, including Christina Kaupp, have performed a reasonable search of their computer systems in order to determine if there are any responsive documents. Although you and I did discuss discovery of ESI on December 16, 2016, as you indicate, we did not discuss the search terms you now list as terms (a) - (t). Although my clients did search for the requested information on the relevant computers, they did not do so by all of the terms you suggested for the first time in your December 28, 2016, letter.

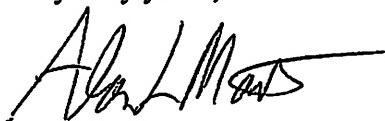

With regard to 30(b)(6) witnesses, CFMG will be designating its general counsel, Ben Rice, as its representative witness. Please let me know when you want to take his deposition.
